The House... This three-bedroom, two-bathroom hardiplank home is situated in the middle of the property, and is divided into three main living areas. At one end we have the master bedroom with walk in robe and ensuite bathroom, the middle section is a large open plan kitchen, lounge, family dining, and at the other end we find the two guest bedrooms, which include BIR's, the second bathroom and laundry. A massive covered outdoor entertaining area completes the living facility.

The Shed... 30 metres from the front of the home a good sized shed and under cover carport is surrounded by a good sized cleared flat parking and turnaround area for truck and other vehicular movement.
