9 Broadgrounds Pl, Toodyay

Stop! This is the home you have been waiting for!!

Comfort and style surrounded by stunning views

In need of seclusion, tranquillity, privacy with all the modern comforts you could hope for? You will really want to view this stunning, custom designed home!

Set high up on the hill with fantastic views of the valley below you will find this unique and bespoke home fully of hand-crafted features and surrounded by subtle landscaping.

To the front of the home is the open plan kitchen and living areas. The standout feature is the large full-length windows to take advantage of the view all year round.

The well-equipped, modern kitchen has a full-sized top-quality fridge, freezer and dish-drawer hidden within the cabinets. There is electric controlled cabinetry to one end, induction cooktop in the large island bench and the custom range hood with charcoal filter suspended over the island bench. All of the bench tops are beautifully hand crafted from marri.

The lounge, dining area is huge and has expansive views over the natural bushland and valley below. The skillion roof has feature timber ceilings. The front of the house faces north and uses the sun to warm the concrete floor in winter and the shade from the roof to keep the floor shaded in summer. This solar passive design will really keep your

heating and cooling costs down. For the rare day when the weather is just a bit too warm or cold there is a split system reverse cycle air conditioner to keep you cool or cosy. This, along with all other appliances are powered by the sun via solar panels with excess power being exported to the grid.

In the centre of the home is a light and bright space that is currently being used as a dining room but could also be used as an office. This room is also built on solar passive design and draws in the breeze to flow through the home in spring and summer. There are feature timber sliding doors to the living and bedroom wings that help control the internal climate of the home.
