18 Westview Place, Toodyay

Edge of the Valley!

This stunning property is located in one of the best spots in Toodyay.

Nestled right on the edge of the Toodyay valley, surrounded by nature and set in a natural landscape, this property provides buyers with a private and secluded environment while enjoying the easy walking distance into the heart of the Toodyay Township.

Entering the property through the gravel driveway, you will find plenty of parking space for when the family and friends visit.

To the left is a garage with concrete flooring and power connected. Currently set up as a home gym but with plenty of space to park a couple of cars.

Magnificent gardens surround the property with native plants, feature rock walls, pathways and a winter creek running straight down the west side of the property. You can see the amount of work that has gone into developing the land, which really shows in the final product.

The block size is 2.2 Acres with mixed cleared and bushland areas and good fencing throughout, including a ready-to-go chicken pen and green house at the back of the property.

Entering the house through the hallway, we enter the dining area and kitchen, which features a walk-in pantry, electric oven, cooktop, and ceiling fan.
