Beautiful 3 Bedroom Home

Located in town and only a short walk to local amenities, this home boasts 3 bedrooms, a lounge, large kitchen, formal dining PLUS additional games room or office space.

Upon entry, you walk through the high ceiling hallway. Off here, you have three great sized bedrooms. All have a split system air-con for both heating and cooling.

Off your third bedroom, you have access to the formal dining room as well as access to the side sleepout which would be great for a games room or a study area.

The carpeted lounge is located to the middle of the home and is serviced by a split system air-con.

At the rear of the home, you have the updated kitchen. This space is large and would allow for a dining set here also. Here you have an in-built pantry, rear access to the deck, and electric cooking.

Off the kitchen you have a hallway which leads to the updated bathroom and laundry area. The bathroom consists of a new double vanity unit and a separate shower. The laundry area is huge and has room for further storage. The separate toilet is in the laundry.

The front boasts a beautiful verandah to watch the world go by and overlooks the rose garden.
