Pyramid house with acreage and dam

Tranquility and peace are what you feel when entering the driveway of this lovely property. It is like a wonderland with its pyramid house, matching pyramid garage, a couple of acres, and its own natural dam with pontoon - and that is just for starters!

The house itself is laden with character and has built in cupboards and recesses all over. There are 2 bedrooms, and the home has been updated to include a spacious tiled bathroom/laundry with cupboards galore. The kitchen/lounge/bathroom and bedroom one are on the bottom floor and up the spiral staircase you discover the second bedroom which gazes out over the property in all directions.

When entering the house, you walk through the lounge, and you can exit through another door opposite which leads to a fully enclosed outdoor area surrounded with colourbond fencing. There is a shaded structure and a blank canvas perfect for you to add your own touch to.

The Owner has planted fruit trees around the property and there is an additional utility shed for storing implements and the like. Water runoff from the house and the road run into the dam on the property. And for those of you that don't like heights you don't have to climb up to clean out gutters on your house because there is concrete guttering at ground level.

The house is serviced by two air conditioners to keep you feeling
