Big Brick Home!

Set on a spacious corner block, this well-designed 4 x 2 brick home delivers space where it matters most. High ceilings enhance the generous living areas, with a large kitchen and dining space forming the heart of the home, complemented by built-in robes and excellent storage throughout.

A mudroom or separate rumpus room add everyday practicality, while the master suite is privately positioned at one end of the home, well separated from the children's wing. Outside, enjoy a secure yard, covered patio and carport, all in a good location close to local amenities.

This property is currently tenanted until July 2026.
