The generous master suite enjoys peaceful garden views and features a walk-in robe, ensuite, split system air conditioning and ceiling fan. The remaining bedrooms are all well-proportioned, complete with built-in robes and ceiling fans, while tiled living areas and carpeted bedrooms provide both practicality and comfort. Wrapping around the home, the expansive verandah offers the perfect place to enjoy a morning coffee, entertain family and friends or simply take in the serenity of the surrounding landscape.

Outside, the property continues to impress with established lawns, mature shade trees, beautiful gardens, a chicken coop and productive vegetable gardens, all creating a wonderful country lifestyle. The meandering creek enhances the natural beauty of the property, while approximately eight acres of arable land provides excellent potential for cropping, grazing or expanding your rural pursuits. Multiple fenced paddocks make the property ideal for horses, sheep, goats, alpacas or a variety of other livestock.

Quality infrastructure ensures the property is as practical as it is picturesque. A large 8m x 10m workshop with approximately 3.5-metre-high walls and concrete flooring provides outstanding storage for machinery, boats, caravans or larger vehicles, while a second 6m x 9m powered shed with concrete floor offers an excellent workshop or additional storage space. A generous lean-to provides further undercover parking for tractors, trailers and farm equipment.

Water security is another major advantage, with good rainwater storage complemented by a reliable bore servicing the established gardens and supplying stock troughs throughout the property. Combined with quality fencing, multiple paddocks and excellent infrastructure, this property is perfectly equipped for a wide range of rural lifestyles.
