the verandah and surrounding gardens.

There is no shortage of living space, with a large second lounge providing plenty of room for the family to spread out. Positioned close to the master bedroom and incorporating a study area and its own wood fireplace, this space could also make an excellent parents' retreat.

The master bedroom is privately positioned away from the remaining bedrooms and features French doors opening onto the verandah, a large walk-in robe and ensuite. Three additional good-sized bedrooms with built-in robes are serviced by the family bathroom, while the spacious laundry provides plenty of practical storage and utility space. Ducted reverse-cycle air conditioning provides year-round comfort throughout the home.

Step outside and the lifestyle on offer really comes to life. Wraparound verandahs and a large front deck provide the perfect place to sit back, watch the sunset and take in the beautiful rural outlook.

The established gardens are a standout feature in their own right, with an impressive variety of flowering plants, mature trees and shrubs creating colour and character throughout the grounds. Fully reticulated gardens, dedicated vegetable gardens, olive trees and fruit trees add another dimension for those wanting to enjoy a productive country lifestyle.

A powered workshop with concrete flooring provides excellent storage and workspace and even features its own spacious deck overlooking the property. Nearby is a fully enclosed chicken coop, already set up and ready for its new residents.

Another fantastic feature is the below-ground swimming pool, complemented by a heated spa and a paved, undercover entertaining and sitting area. Whether it's a summer barbecue with friends, entertaining the family, cooling off in the pool or relaxing in the spa, this is a wonderful outdoor space to enjoy throughout the year.
