How would you like to live in the Old Station...

This entire house has just been renovated and is all brand new inside including a well equipped large family kitchen and a massive rear family room.

At the front of the house is the master bedroom and second front bedroom which both have high ceilings, polished floors, ceiling fans and fireplaces.

The third bedroom is at the middle of the house with the same high ceilings, polished floors, ceiling fan and small fireplace. The formal lounge room again has polished floors and French doors out onto the side verandah.

The kitchen is all brand new and has never been used! Includes a large gas stove and oven. The dining room is tiled and leads to the back family room.

The bathroom has a shower over the bath tub and private toilet and is spotlessly clean white and all brand new.

The huge back family room is at the rear of the house and has a second toilet here.

Then there is the huge laundry room that leads out onto the back patio area.

The gardens area extends all around the house and is easy to look after or could be easily transformed into a nice cottage style garden.

There is a huge shed / garage at the side of the house with concrete floor (no power connected) and a double shade cloth carport at the rear.
