This is a classic doer-upper 3 bedroom cottage with sheds, dam, bore, fully fenced and 40 acres of graceful York gum and Jam wattle parkland suitable for grazing. A substantial running creek traverses the property in winter with some pools and beautiful rocky water-tumbles. A fresh water dam on a soak provides a good water supply (and potentially yabbies) and a windmill driven bore supplies water to the house. There is a 60' x 30' (approx.) machinery shed with concrete floor, a chook shed/run and a woodshed.

The cottage has seen a recent kitchen renovation however there is plenty of opportunity for further upgrades to living and accommodation
